

# Easy CDL Instructor User Guide

1. Go to <http://www.elearningcdl.com/> to enter the site.
2. Log in with your username/password given to you by your instructor.

3. This will bring you to the front page. You can verify you are logged in when your first and last name appear on the top right of the page.

4. From the home page you can continue to the Bumper to Bumper course from the course selection further down the page. Here you can view the lesson's or quizzes yourself, so you can become familiar with the content taught within the Bumper to Bumper lessons.

Welcome to the start of your career as a professional driver in the trucking industry.

Regardless of what attracted you to trucking, you may not fully realize the size of the

field you are about to enter, or the number of opportunities it holds for you.

### Watch the Course Video

 Chapter 1 - Your Future In Trucking

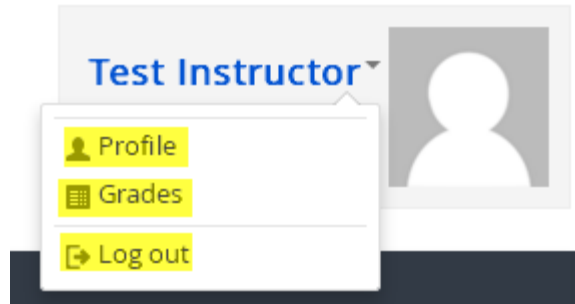

### Take The Quiz

 Quiz 1 - Your Future In Trucking

6. At anytime you can access grades, see your profile, or logout at the top right corner of the page by clicking your name.

7. By selecting grades, you can see your grader report. This shows the quiz grades, and completed activities for all of your students in your Bumper to Bumper course. Grades can also be manually edited here as necessary.
